 - The committee has received a request for some financial support towards the costs of providing an apprenticeship in motorcycle maintenance for the son of a deceased rider.
Although the committee consider this a worthy enterprise they are constrained by the requirement to abide by the charity's objects; and it has been questioned whether the TTRA can use its funds for this purpose. Therefore, to remove any doubt about the legitimacy of our support, the committee is asking the approval of the membership to be able to donate up to £2000 of the money raised at the upcoming luncheon in November for this purpose.
